Somek & Associates Annual Conference

Why attend?

Somek & Associates are one of the leading providers of Expert Witnesses within the UK. With over 200 experts, all of whom remain in clinical practice, in statutory or private sectors or act as case managers. **Our experts are therefore regularly at the forefront of compensation claims when it comes to recommending services, care, therapies and equipment.**

When our experts consider reasonable recompense for a Claimant's reduced functional abilities in cases of clinical negligence or personal injury, our experts are able to 'think outside the box'. They are not bound by the stringent eligibility criteria that exist in the statutory services sector. Our experts recommend in their care and rehabilitation reports products or services that would benefit the Claimant's when they are awarded monies from interim payments or upon case settlement.

01494 792711 www.somek.com

The logo for Somek & Associates is located in the top left corner. It features the word "SOMEK" in a large, bold, dark blue font with a stylized blue and green wave-like element under the letter 'E'. Below "SOMEK" is the word "ANDASSOCIATES" in a smaller, dark blue font. The logo is set against a circular background with a white center and a multi-colored border (blue, green, yellow, orange, red, purple).

Somek & Associates Annual Conference

Appropriate equipment and services are documented, referenced and costs identified, providing regular exposure of your products and services. Our experts also use this knowledge in their clinical practice.

Exhibiting at our conference provides you with an ideal opportunity to promote your products and services and network with our experts.

Our associates have backgrounds in occupational therapy, physiotherapy, midwifery, nursing and speech and language therapy.

Please see details of opportunities on following page.
